

2 Team 19: Specification Document

3 Laboratory 1: Risk Reduction Techniques

4
5 Morgan, Laura

6 Miaw, Jireh

7 Hauser, Steven

8 Dworak, Catherine

9 Bertoglio, David

12 *Work Product*

13 The Specification Document describes the behavior of the robot control system. It
14 includes problem definition, system overview, technical descriptions of user interface,
15 functional and non-functional specifications.

17 *Document Revision Information*

18 Document Revision Information

Approval Sheet

All group members whose names are listed below approve of the document and contributed fairly.

Morgan, Laura

Miaw, Jireh

Hauser, Steven

Dworak, Catherine

Bertoglio, David

Pledge

On my honor, as a student, I have neither given nor received unauthorized aid on this assignment.

Morgan, Laura

Miaw, Jireh

Hauser, Steven

Dworak, Catherine

Bertoglio, David
