71 **Table of Contents**

72 **Word did not find any entries for your table of contents.**

73 In your document, select the words to include in the table of contents, and then in
74 the Formatting Palette under Styles, click a heading style. Repeat for each heading
75 that you want to include, and then insert the table of contents in your document.

76 You can also create a table of contents by clicking the Create with Manual
77 Formatting option and then type the entries manually.
